

Accident Insurance

Preparing for unexpected health care costs rising, it's important to do everything you can to prepare for life's sudden turns. Colonial accident insurance can help offset the unexpected medical expenses that can result from a fracture, dislocation or other covered accidental injury.

With accident insurance there are several coverage levels to fit all budgets. You can choose to have stand-alone coverage, or select family coverage for a spouse and children. Accident insurance can provide you with benefits for initial care, surgery, transportation and lodging, and follow-up care.

You can't always prevent accidents from happening, but you can help provide financial protection in case they do happen.

Please call the Colonial National Call Center at 1-833-703-1967 and use the access account # 4083606 to enroll, change, or terminate your insurance.
