

LINDSEY WILSON COLLEGE

Preparing the Next Generation of STEM Educators

Do you get excited about chemistry, biology and mathematics?

Do you enjoy working young people?

Are you interested in becoming an educator?

LAUNCH your STEM teaching career with a degree from LWC.

“ I always knew I wanted to be a teacher and the LWC Education program allowed me to combine my passions of teaching and science. I graduated confident and prepared for my own science classroom. I encourage anyone interested in teaching to look into the education program at LWC. ”
