## Criteria for Admission to Student Teaching (Stage 2)

1. Senior standing shall be a prerequisite for admission to student teaching.
2. Each candidate for student teaching must be approved by the Teacher Education Committee. Acceptance into the Teacher Education program does not mean automatic approval for student teaching.
3. **Official transcripts** of all college work must be on file in the Registrar's Office.
4. Each student must have a **current criminal check** and a copy of a current **medical examination**, including a tuberculosis test, in his/her file. The medical examination form must be submitted **one month prior** to the beginning of the student teaching semester.
5. Each student must have **completed 200 hours of clinical and field-based experiences** prior to student teaching at sites and with student populations that meet regulatory requirements listed in 16 KAR 5:040 section 3. Transfer candidates must provide documentation of field and clinical hours earned at other colleges/universities that meet regulatory requirements.
6. Each candidate must have a **minimum cumulative grade point average of 3.0** on all college work attempted.
7. Each candidate must have a professional grade point average of 2.75 on professional education courses, with no grade lower than C.
8. Each candidate must have a content grade point average of 2.75 in each area of emphasis/major, with no grade lower than C.
9. Each candidate must have completed the following:
  - a. All professional preparation courses;
  - b. All courses in the area(s) of emphasis/major;
  - c. All general education requirements; and
  - d. All elective hours.
  - e. Pass all Praxis II tests (PLT & Content Areas)
10. A candidate may earn no more than 15 hours credit during the student teaching semester which is limited to 12 hours of student teaching and three (3) hours of practicum. A candidate may not be gainfully employed for more than 20 hours per week during the semester of student teaching.
11. The student teacher candidate must be a person whose moral, social, and ethical behavior is acceptable in the school and wider community.
12. **Applications** for fall student teaching and spring student teaching must be returned to the Coordinator of Student Teaching two (2) semesters prior to student teaching.
13. The candidate must have a successful **Stage 2 Presentation with a Portfolio** scored at the target level or above. If a candidate does not successfully complete the Stage 2 process, the candidate may remediate any conditions cited in the Portfolio or presentation, usually two weeks from the time all scores have been summarized and the Chair is notified via email. If the stipulated conditions are not met by that date, the candidate will not student teach and must participate in the Stage 2 process again when presentations are normally scheduled in a subsequent semester.
14. Candidates must have a current **KEA-SP membership** or proof of liability insurance.
15. Candidates must have a score of acceptable or above on the Recommendation/**Disposition Assessment** Instrument which is completed by the Classroom Management faculty member and by the Chair of the Stage 2 Presentation Committee. (If the Chair of the committee is the same as the Classroom Management faculty member, the chair will appoint another member of the committee to complete the recommendation.)

Note: Candidates must pay a \$155 student teaching fee.
