Notes:

- Pre-health professions students should choose electives that are needed to satisfy admission requirements for their selected concentration.
- Pre-Med students should elect to take BIOL 3403 *Theory of Natural Selection* since some of this material may be on the MCAT.
- PSYC 4703 & PSYC 4903 are required for students wanting to go to graduate school in psychology.
- This major provides fewer than the required 39 hours of 3000-4000 level coursework. Students will need to complete additional upper-level coursework to satisfy this graduation requirement.
